DEFENDER™

COMPACT SNOWPLOW

CLEAR YOUR PROPERTY **LIKE A PRO**

When it's time to conquer the drifts in your driveway, the WESTERN® DEFENDER™ compact snowplow can help you clean up like a pro from the comfort of your own vehicle. Simply hook the DEFENDER snowplow up to your mid-size pickup or SUV and plow your property how you want, when you want, and kiss your snowblower goodbye.

DEFENDER™

COMPACT SNOWPLOW

SCRAPE LOCK

Provides the scraping performance of a larger plow without the extra weight

FULL-TRIP MOLDBOARD

Helps protect you and your vehicle when encountering hidden objects

HIGH-STRENGTH CONSTRUCTION | Built with high-strength, low-weight alloy steel that is stronger and lighter than conventional steel, protected by the long-lasting ULTRAFINISH™ baked-on powder coat

STRUCTURAL REINFORCEMENT | Six vertical ribs deliver exceptional torsional strength to eliminate blade twisting

FORMED BASE CHANNEL | Provides extra support along the bottom of the plow blade

STEEL CUTTING EDGE | A high-carbon steel cutting edge provides long-lasting performance and a clean scrape

NIGHTHAWK™ HEADLAMPS | New, brighter dual-bulb halogen headlamps provide a smooth, wide beam pattern and absorb road vibrations

OPTIONAL ACCESSORIES | 3/8" high-carbon steel cutting edge | Poly cutting edge | Rubber deflector | Adjustable shoe kit | Curb wear guards

EASY ON / EASY OFF

Simple mechanical attaching system makes attaching and detaching your plow quick and easy

REMOVABLE RECEIVER BRACKETS

Quickly maximize vehicle ground clearance in the off-season — no tools required

TWO CONTROL OPTIONS

Choose between a CabCommand hand-held control or joystick control for intuitive blade control
