

# Turn Your Van Inside Out!

...With the **DuraRac®**  
by Dejana Cargo & Van Interiors

## CAPACITY

- Provides more efficient use of your van's cargo area... more than double the capacity!

## SAFETY

- Eliminates the need to go inside the van.
- No crawling into the van kneeling on an unseen object or tool, pullout shelves bring everything within easy reach.

## EFFICIENCY

- Allows you to become more organized, and provides faster, easier access to tools and inventory.

**NEW! ▶▶**  
Interior  
Ladder  
Rack

*New 3/4 DuraRac with interior ladder rack, provides security and can save 20% on fuel costs!*

*In order to find anything in this van...*

*...the first step would be to take everything out!*

**A**

*Interior ladder rack storage eliminates the need for a roof rack!*

- Heavy-duty adjustable shelves measure 36"D x 42.75"W\* with optional 6" and 10" deep drawer extensions.
- Shelves feature 300lb capacity with double-locking mechanism and a full width grab handle.
- Commercial grade drawer slides and easy-glide side rails allow you to fully extend each shelf.
- Each shelf uses a heavy-duty Unistrut system and is infinitely adjustable.
- Additional shelving units and inserts are available to keep things secure and in place.

\* 3/4 DuraRac Dimensions 36"D x 42.75"W; Full width DuraRac measures 36"D x 47"W

*Side DuraRac shelving system with 36"D x 18"W shelves and 6" and 10" extensions.*
