Heavy Weight plows are only available with the UniMount® System.
UltraMount® mount weight range: 33 to 115 lb

All plows include:

- Low-profile, dual beam halogen headlamps with combination park/turn signal lights that conform to federal safety standards. Vehicle light switch activates plow lights—no separate in-cab switch is needed.
- Blade guides for improved operator visibility and blade positioning.
- Snow deflector is standard equipment on POLY PRO-PLOW®.
