

HS

COMPACT SNOWPLOW

PLOW YOUR PROPERTY YOUR WAY

When doing it right means doing it yourself, choose the brand that's trusted by the pros. The FISHER® HS compact snowplow is a full-featured snowplow that's easy to attach and easy to operate, so you can clear your property how you want and when you want from the comfort of your own vehicle. Designed specifically for mid-size pickup trucks and SUVs, the FISHER HS compact plow will have you rigged and ready for whatever winter throws your way.

The Legacy Rolls On

FULL-FEATURED PLOW FOR YOUR HOME GAME

SCRAPE LOCK

Provides the scraping performance of a larger plow without the extra weight

FULL-TRIP MOLDBOARD

Helps protect you and your vehicle when encountering hidden objects

HIGH-STRENGTH CONSTRUCTION

Built with high-strength, low-weight alloy steel that is stronger and lighter than conventional steel; protected by the long-lasting STORM GUARD™ baked-on powder coat

STRUCTURAL REINFORCEMENT

Six vertical ribs deliver exceptional torsional strength to eliminate blade twisting

FORMED BASE CHANNEL

Provides extra support along the bottom of the plow blade

STEEL CUTTING EDGE

High-carbon steel cutting edge provides long-lasting performance and a clean scrape

INTENSIFIRE™ HEADLAMPS

New, brighter, dual-bulb halogen headlamps provide a smooth, wide-beam pattern and absorb road vibrations

EASY ON / EASY OFF

Simple mechanical attaching system makes attaching and detaching your plow quick and easy

REMOVABLE RECEIVER BRACKETS

Quickly maximize vehicle ground clearance in the off-season; no tools required

OPTIONAL ACCESSORIES

3/8" High-Carbon Steel Cutting Edge | Curb Wear Guards | Poly Cutting Edge | Rubber Deflector | Adjustable Shoe Kit

TWO CONTROL OPTIONS

Choose between a Fish-Stik® hand-held control or a joystick control for intuitive blade control
